

E-Z PAY

“E-Z Pay” eliminates the need to write a check for your electric bill. All you do is authorize MED to automatically deduct your electric bill from your checking or savings account each month.

- Cut expenses for checks, postage, and envelopes.
- Avoid postal delays.
- Stop worrying about bills while out of town.
- Never pay a late charge.

As an “E-Z Pay” customer, you will still receive a regular monthly bill for your review.

This payment will be processed by your financial institution on the net payment date indicated on your bill.

Continue paying your bill as usual until your bill states...

MEMO BILL ONLY "E-Z PAY" AUTOMATICALLY DEBITED ON mm/dd/yyyy
