

**MURFREESBORO ELECTRIC DEPARTMENT
OUTDOOR LIGHTING APPLICATION AND AGREEMENT**

ACCOUNT NO. _____

WORK ORDER NO. _____

This Agreement made and entered into this _____ day of _____, 20____, by and between Murfreesboro Electric Department (MED) and _____ (customer), of _____ (Mailing address).

Said customer owns property at _____ (Lighting location) and hereby requests the installation of the following High Pressure Sodium Outdoor Private Light(s) and Pole(s) at this location.

This Agreement is subject to the Rules and Regulations of MED. In accordance with Part B of Outdoor Lighting Rate Schedule LS, the total monthly outdoor lighting cost, without taxes, shall include monthly Kilowatt-hour usage times the cost per KWH plus monthly facility charges. **KWH charges and facility charges may change from time to time during the term of this contract.**

MED hereby agrees to provide, install, operate and maintain the below requested outdoor security lights and poles in a truck accessible area, in return for the customer's agreement to pay bills in a timely basis and the customer's agreeing to make every effort to protect the installation from damage.

The location of the light(s) and pole(s) having been mutually agreed upon, any relocation performed at the customer's request shall be made by MED at the customer's expense.

Quantity	Lighting Type	Monthly Lighting Charge
	100 W HPS Decorative	\$15.96
	100 W HPS Dec- Cage	\$16.75
	100 W HPS Luminaire	\$5.73
	250 W HPS Luminaire	\$9.13
	250 W HPS Floodlight	\$10.42

Quantity	Pole Type	Monthly Pole Charge
	12 ft Arlen Decorative	\$24.34
	12 ft York Decorative	\$33.45
	24 ft Aluminum	\$14.64
	33 ft Aluminum	\$19.60
	35 ft Wood	\$11.46

If rock is encountered in the digging of the pole hole(s), then a fee of \$ 570.98 will be billed to the customer as a one-time additional installation fee. If the new pole is not located near a MED source, the customer will be responsible for providing all materials and excavation in order to provide electricity to the new pole.
